Lauren –

The person Cooper talked with at the City of Syracuse is:

233 E. Washington Street

Syracuse, NY 13202

P: 315.448.8005

Gary and Davon,

I intend to propose a conference call with the Town of Salina, Onondaga County, the City of Syracuse, and, of course, your client, to follow up on some of the issues you presented in your meeting with EPA. Who have you been in contact with at the City?

Lauren

Lauren –

Nelson had the bid meeting, and as we discussed with the EPA team is obtaining separate bids for the South Landfill and North Landfill, and a combined bid for performing the capping of both Landfills at the same time. Has the EPA team talked with Rick Mustico at NYSDEC about local disposal options? Any initial decisions on how USEPA would like to proceed?

Thanks,

Gary P. Gengel

Attached is the attendance sheet from yesterday's meeting. Again, I apologize for not being able to attend. I heard that some interesting ideas were presented and discussed. I will follow up with everyone soon.
